

Accredited Specialisation 2021 Study Group Application Form

Inquiries: Accredited Specialisation

T: 03 9607 9461 E: special@liv.asn.au

W: www.liv.asn.au/Specialisation

One of the ways in which applicants for Accredited Specialisation prepare for an assessment program is by getting together with others and studying on an informal basis.

If you would like to form or join a group, please contact us and register your name, business location and telephone number, and your home location. We will ensure that these details are circulated to others who inquire, on a confidential basis. It is left to those who have registered interest to make contact with others and organise meetings.

Even if you do not intend to apply this year, you may find participation in such a group beneficial.

Please return this form with your application or at your earliest convenience so we can begin the process of forming your study groups.
