About Virgin Australia

Virgin Australia operates a young fleet with over 130 aircraft, flying to 42 domestic destinations, and together with international alliance partners offers a global network of over 600 destinations. Alliance partners include Singapore Airlines, Delta Air Lines, Etihad Airways, Hong Kong Airlines and Virgin Atlantic, providing optionality and enabling Virgin Australia to better align and service international markets.

Velocity is Virgin Australia's award-winning frequent flyer program and is free to join. Velocity allows members to earn and redeem Points for travel to hundreds of destinations worldwide, as well as across a huge range of travel and non-travel program partners. Members can also earn Status credits and receive unique benefits such as complimentary lounge access, priority check in, priority boarding, priority baggage, and other benefits that make their journey a more pleasurable experience when travelling with Virgin Australia and their international alliance partners.
